## What I Do

I help brands look premium, credible, and memorable using motion-driven visuals. My work focuses on logo animation, motion graphics, and high-retention brand reels designed for real business use — not flashy effects.

## Professional Experience

### Founder & Lead Motion Designer

Video Alchemist

2020 – Present

- Designed motion identities and logo animations for corporate and brand clients.
- Delivered motion visuals for websites, social media, presentations, and events.
- Handled complete project execution from concept to delivery.

### Senior Motion Designer (Strategic Partner)

Palletio Design Studio

2023 – Present

- Executed international projects for ICAI (Abu Dhabi & Bahrain).
- Created LED wall visuals, conference openers, and brand films.
- Maintained brand consistency across multi-region campaigns.

### Social Media Manager & Visual Partner

Shanti Asiatic · Kindori · Virajosa

2021 – Present

- Designed motion-based social content and reels.
- Improved engagement and visual consistency.

## How I Work

Clarity before creativity   Brand-aligned motion  
Professional & scalable visuals  
Reliable communication
